Dear Parents/Carers,

The Colmers Farm Time Capsule

We are all living through history right now, this pandemic will be remembered for years to come. It is something that we never thought would be possible but here we are over a year down the line since the first case of COVID-19 and we are still in government restricted lockdowns. We are so proud of everyone in our school, our families, the children and all our staff.

At Colmers Farm we would like to create a time capsule and bury it on the school grounds. Our children have been through so much over the last 12+ months and we want to mark that by creating a capsule that will show future Colmers Farm pupils what it was really like to live through a pandemic as a child. We want the future Colmers Farm pupils to understand how courageous and strong our children have been, how they have adapted to this new way of life and learning in such an amazing way. We want to celebrate their achievements in overcoming such difficulties with such success. Our children are amazing, and we want the future to know it.

We are going to ask each year group to make something to add into the capsule. This will be a collaborative piece that may include pictures, writing, poems, photographs etc. If you have any inventive ideas, then please share these with your children and their class teachers so we can try and incorporate them into our capsule.

If you would like your child to contribute to our very own piece of history then please fill in the permission slip below and return to your class teacher by **Friday 19th March**.
