Dear Parents/Carers,

You are invited to join us on **Tuesday 15th November 2022** from **2pm-3pm** to take part in a reading based inspire workshop. The aim of this workshop is to allow us to show you how reading is taught in Year 5 and to give you the opportunity to ask any questions you may have about supporting your child with their learning. The session will involve us explaining how we teach reading in Year 5 and providing you with example activities and strategies to support us and your child with their learning. We are hoping this workshop will be beneficial to all involved and we would like as many of you as possible to attend. During this workshop you will have the opportunity to work with your child, to see how they approach their learning and to work together to tackle the reading activities we provide. This will be a fantastic opportunity to see how your child works when in school.

Our aim is to build children's fluency and confidence within their reading learning, but to do this we need your help. Over the past few years, the children have missed a massive amount of learning as a result of COVID-19 and we need to support them in catching up with this missed learning.

Please could you return the slip below to indicate whether you plan on attending the inspire workshop. This is an opportunity for us all to work together to benefit your children.

Thank you for your cooperation,

Miss Tonks and Miss Morgan.

To: Colmers Farm Primary School

I, parent/carer of _____, will/will not be attending the Year 5 reading inspire workshop on Tuesday 15th November 2022.
