20th April 2021

Dear Parents/Carers

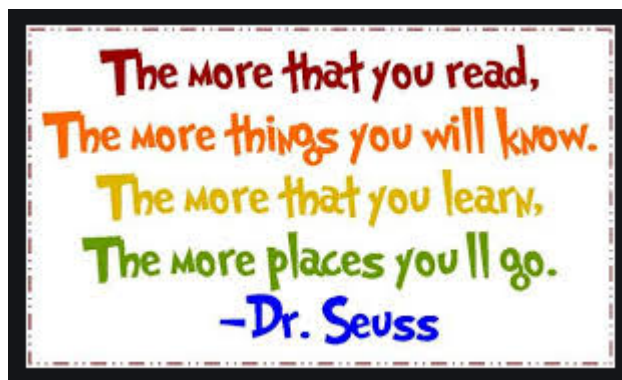

Today, your child has chosen a new reading record bookmark. This is a new initiative that we are trialling to replace reading diary books. We would like you, as parent/carer, to date and initial every time you hear your child read. When your child has read 10 times at home with you (or another adult), they will be rewarded with a hot chocolate nomination and receive a new bookmark. Our aim is to make it more manageable for you to record when your child reads at home, and to reward children for reading regularly at home. If bookmarks are lost, new ones will be issued but children will start from 0 again.

Thank you in advance, for your cooperation and support with your child's reading.

Kind regards

Miss Hooper

Assistant Head Teacher and Reading Leader
