

1st June 2026

Dear Parent/Carer,

Science Day – Monday 13th July

On **Monday 13th July** we will be celebrating National Science Day. This year's theme is 'Curiosity: What's your question?'. Children will be off their normal timetable for the day, so they can enjoy delving into all things science.

Children are welcome to come into school dressed as scientists on that day if they wish but please do not rush out to buy a new costume as we are aware how costly this can be. Instead, why not try making a scientist costume from an old outfit or items of clothing you may have at home.

Parents can feel free to access resources on the British Science Week website:
<https://www.britishscienceweek.org>

If you have any questions, please call the school office on 0121 716 0444 or email
enquiry@colmersfarm.excelsiormat.org

Thank you for your continued support.

Yours sincerely,

Miss Wood
Year 1 Class Teacher and Science Lead
