Friday 25th September 2026

Dear Parents and Carers,

Thank you for making a strong start to the year by helping your child attend school every day. At this early stage in the year, even one or two days has a big impact on their attendance figure. If your child has been off school for any reason in September it is even more important that moving forward, they attend every day to help them improve their attendance and to catch up with lost learning. Every day counts!

Punctuality is also incredibly important, as teaching and learning starts promptly at 8:50 every day.

Further information and support is detailed in the attached leaflet. Please take a moment to read through this and if you need any further help or guidance, do not hesitate to get in touch with us.

Thank you for your support

Miss Hooper
