6th October 2026

Dear Parents and Carers,

Thank You Card Design Competition

We are excited to launch a special **Thank You Card Design Competition** for our children!

Throughout the year, we are very fortunate to welcome lots of visitors, contractors, companies and organisations into school who provide services, workshops, activities and other support for our children and staff. We often send thank you cards to show how much we appreciate their time, help and kindness.

This year, we thought it would be even more special if our official school thank you cards featured **a design created by one of our very own children at Colmers Farm**.

We would therefore like to invite all children to create a design for the front of our new thank you card. Children can be as **creative, colourful and imaginative** as they like! The design should represent Colmers Farm and the idea of saying **"Thank You"**.

Designs can be completed on the sheet attached and can be either portrait or landscape.

Two winning designs will be picked for KS1 and two for KS2. The designs will be professionally made into thank you cards that we will use throughout the school year. This means the winning artwork could be sent to lots of the wonderful people and organisations who support our school.

Please return completed designs to school by **Friday 23rd October 2026**. We cannot wait to see all your fantastic ideas and are sure choosing a winner will be very difficult!

If you have any queries at all please contact the school office on 0121 716 0444 or email enquiry@colmersfarm.excelsiormat.org.

Good luck and happy designing!

Yours sincerely

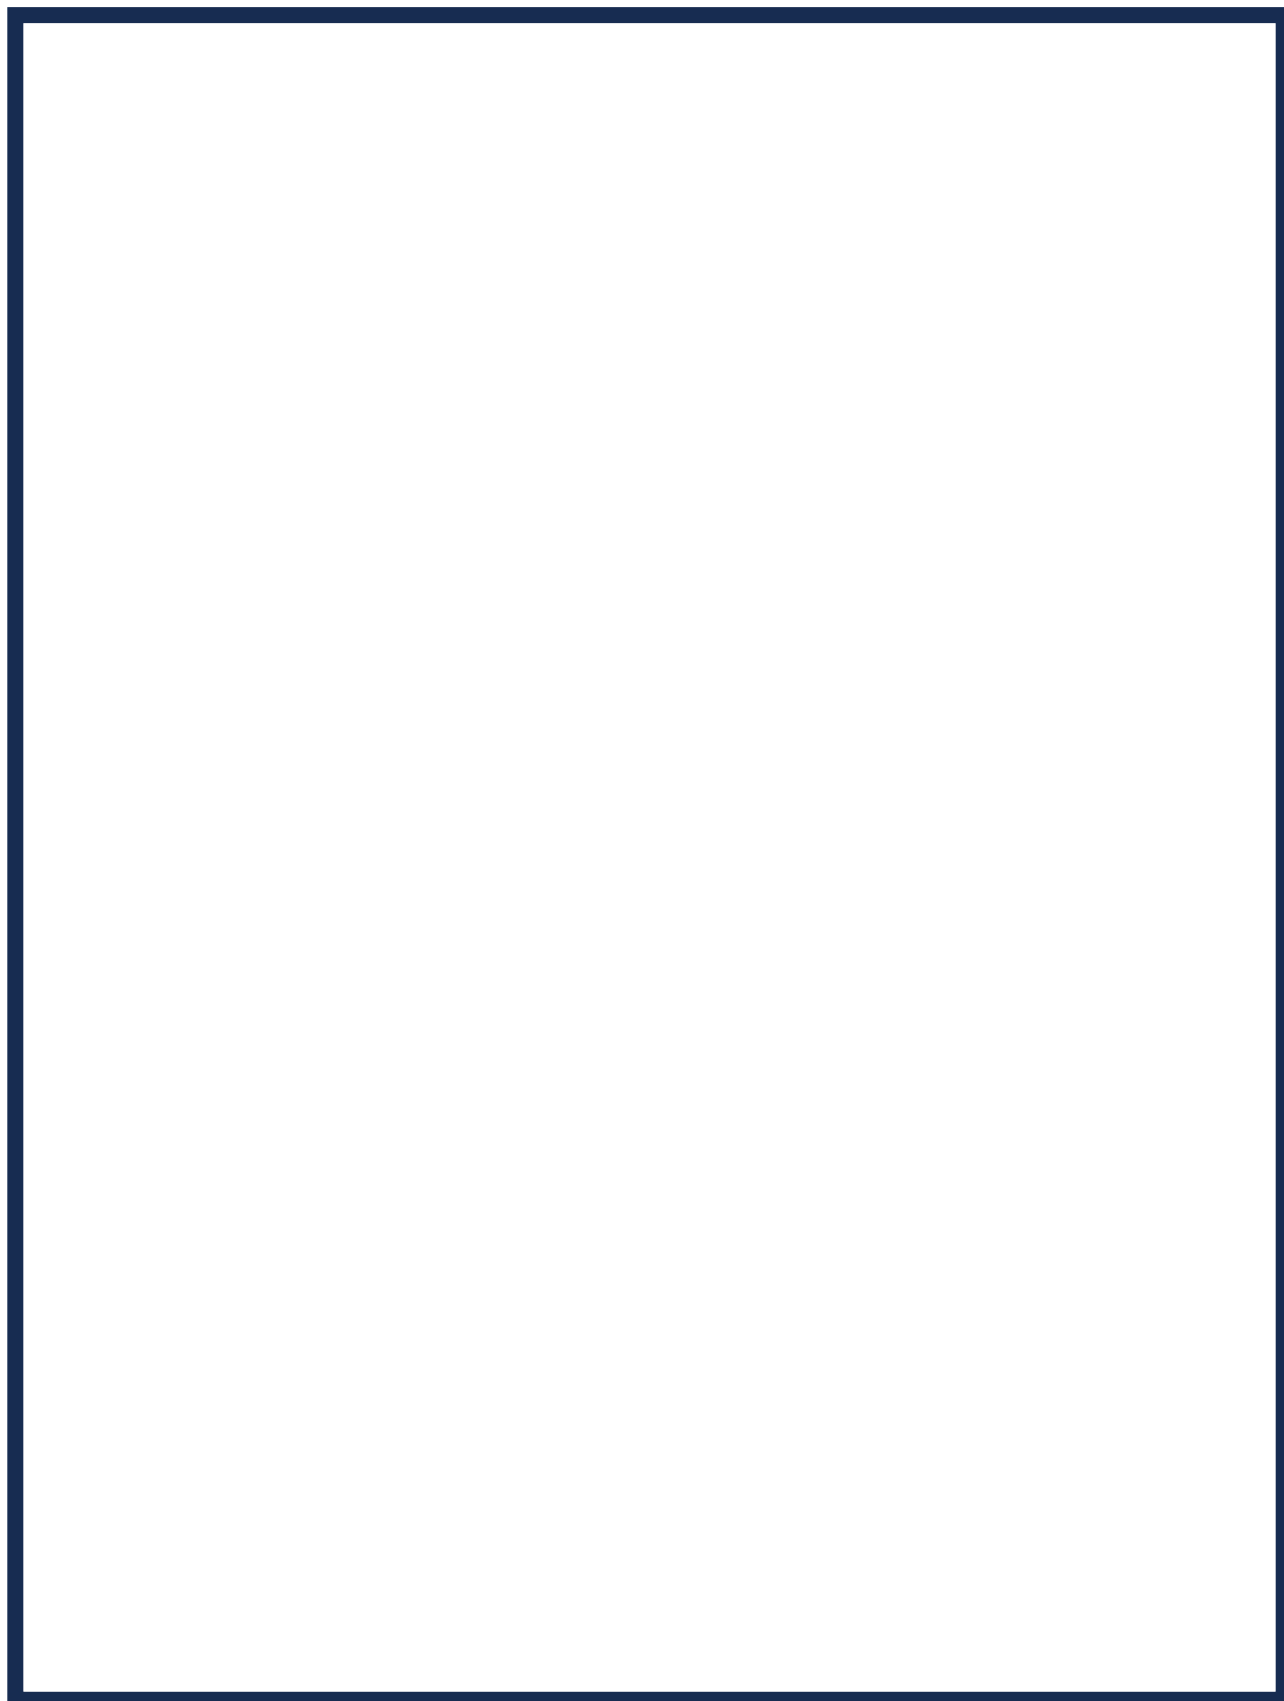

Mr Williams
Headteacher

Thank You Card Design Competition

Name:

Class:

A large, empty rectangular box with a thick, dark blue border. This box is intended for the student to draw their thank you card design. It occupies the majority of the page below the name and class fields.
