Celebrating another special week at our nurturing school

Friday 7th May 2021

Dear Parents/Carers

I hope that you all made the most of the bank holiday weekend with your families. What a shame that the weather was not better though on Monday.

Those of you with children in Year 2, may well have heard about or may have met Miss Kent, who was a teaching student who has been working with us since before Christmas. After a successful interview on Wednesday, we are delighted to announce that Miss Kent will be joining us as a teacher in September. We very much look forward to working with her and officially making her part of the Colmers Farm family.

Year 2 this week have been welcoming some very special visitors into their classrooms. This has included two puppies and a rabbit. This is all part of their topic amazing animals. The children really enjoyed meeting these animals and I'm sure the animals quite enjoyed meeting our children also.

Since the pandemic started, we have been using a variety of strategies to enable our children to begin to make up for their lost learning. It will however take time for all of our children to reach the levels they would have been if the pandemic had not occurred. One of the strategies that has started this week is small group tuition by outside teachers during school time. We are really excited about the potential of this and the first groups of Year 4 children began this today. These will hopefully begin being expanded to other year groups from next week onwards.

On Friday this week, due to changes in guidance, we have been able to open up our trim trail again to our children. This is something our children have really missed. Please can I however remind you that this equipment should not be used before or after school.

I hope that you have a lovely weekend with you families.

Mr Williams (Headteacher)

Parking on Belton Grove

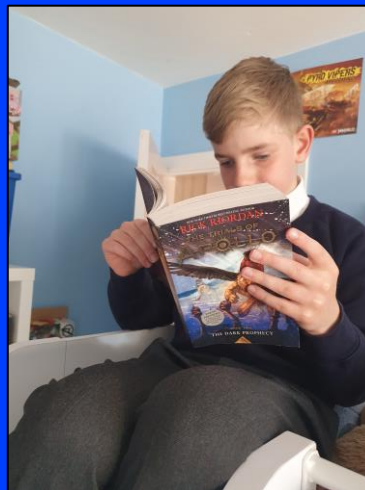

Please can we remind all parents who park on Belton Grove to park considerately. Please be aware of road marking, such as white lines by drives, and please do not park on paths as this reduces the space for pedestrians. Thank you for your support with this.

Head Boy Book Suggestion

Book review: The Trials Of Apollo The Hidden Oracle by Rick Riordan

The Trials Of Apollo The Hidden Oracle, is about the Greek god Apollo getting transformed into a mortal. To regain his godhood, he must restore the ancient oracles. In this book, he tries to restore the cave of Trophonius. I think this second book in the series is a fantastic book, merging myths with the modern day. Ancient monsters, gods and humans make such a great story, with danger around every turn.

NEW!

Colmers Farm Attendance League Table!

Our whole school attendance this week has **dropped** to **93.6%** which is **much lower** than our target of 96%.

A lot of children are catching coughs and cold viruses now we are all back at school full time, as well as children feeling exhausted from being back to the routine of full-time school.

Please bring your children to school every day. We often find children 'perk-up' when they see their friends and their resilience to coughs and colds builds rapidly.

Please be reassured that if we are concerned about your children we will always call you to come and collect them.

This week's fixtures have taken place and the results are in!

Well done to our **winning** classes!
