

Year 4 Newsletter

Term 3: Summer Newsletter

Meet the Year 4 staff at Colmers Farm Primary School

Mr. Williams - Head Teacher Miss Hooper - Deputy Head Teacher
Miss Brenwald - Teacher in 4B Miss Jennings - Teacher in 4J Mrs. Rayment - Teaching Assistant Mrs. Jones - Teaching Assistant Miss Hughes - Teaching Assistant

PE for 4B will be swimming on Friday's, but will change to PE on Thursday's after the May half term break.

For 4J, PE is on Thursday's and swimming on Friday's after half term. Pupils should come to school in their black or navy bottoms, their house coloured t-shirt and their school jumper on Thursday's for PE.

For all PE, hair should be tied up and all earrings should be removed.

Dear Parents/Carers,
Welcome to the third, year group newsletter of Year 4. This newsletter contains information about your child's learning across the curriculum. If you have any questions, we are here to help.
Year 4 Team.

Multiplication Tables Check

This term, all children will be taking their multiplication check. Please support us by encouraging your child to practise their times tables at home. Times Tables Rock Stars, Mathletics and paper homework will be set to aid this. In the check, children are tested on 25 different multiplication questions. The more they practise, the more confident they will be.

SAGE Award

The children started their SAGE Award last year. We would love to see all children achieve their silver award by the end of the year. So if they have achieved something outside of school, please let us know.

English

- Consistently use joined handwriting that is neat and clear to read.
- Understand statements, commands, questions and exclamations.
- Use a range of conjunctions e.g. so, for, although, however, therefore.
 - Spell many words correctly from the Year 3/4 list.
 - Use fronted adverbials with a comma.
 - Use standard English in writing and speech.
 - Regularly use expanded noun phrases to describe.
- Begin to include relative clauses and brackets for additional information.
 - Write for a range of purposes.

Maths

- Confidently recall multiplication facts up to 12 X 12.
 - Learn how to count, order and record decimals.
 - Begin to make links between fractions and decimals.
- Understand and convert times between a 12- and 24-hour clock.
- Continuing to develop a knowledge of money and decimals.
 - Estimate and measure mass, volume and length.
 - Name and compare different angles.

Reading

-It is important that the children are reading at home every day. You should ideally aim for at least 15 minutes every day. Children can read their assigned Accelerated Reader books, a book for pleasure, magazines and any other books they enjoy. Please try to read with your child regularly to help their progress. Remember that reading will help them with their writing too!

Important Dates
