English

We will be exploring a variety of text types: narrative story, diary, discussion, poetry. These have been chosen to compliment and support the learning that the children are doing in their topic.

Homework:

Homework will be sent out weekly and needs to be completed and returned by Monday morning each week.

The children will have a range of homework tasks over the half term as shown in the table below. Please make sure that homework tasks are completed and a high standard of presentation is used. There will also be Mathletics, Accelerated Reader and myON homework set that can all be accessed online. We will ensure that the children's logins are sent home soon.

Mathletics

All children have a log in for Mathletics and can play games online to support their learning. Children can do the activities that are set for them as well as play live games.

SPaG

Children will regularly bring home work to support their current spelling, punctuation and grammar. Please encourage them to complete it neatly and return to school.
