Homework

Online homework will be set weekly for children to complete.

If you require a device in which to access online homework, please speak to a member of the office team.

The children will have a range of homework tasks over the half term, including those set online. Please make sure that any written homework tasks are completed in blue/black pen or pencil and presented neatly.

Reading

It is really important that the children are reading at home every day for 15 minutes. Please remember to sign the children's book-marks when doing this. All of our children have access to thousands of online books on MyOn.

Children are expected to complete an Accelerated Reader quiz once they have finished reading their book. If you have any issues logging on to MyOn or Accelerated Reader, please speak to the class teacher.

Remember that reading regularly will help them with their writing too!

Maths

- Multiplying 1 by 2 digit numbers
- Dividing numbers.
- Continuing to develop addition and subtraction skills.
- Creating graphs and interpreting data.

English

- Use paragraphs to organise ideas.
- Use capital letters, full stops, question marks, exclamation marks, commas for lists.
- Produce writing to entertain the reader
- Describe settings and characters.
- Spell words correctly from the year 3/4 list.
- Produce legible joined handwriting.

Multiplication Tables

This term we will be working hard to learn our time tables ready for the test in the Summer Term. Please help your child to learn their tables. Extra resources will be given out to support your child at home.

Topics

Topic — Extreme Earth
English- Newspaper Reports and Biographies
PE- Dodgeball and Dance
Music- Guitar teacher, every Monday.
Personal Development—Feelings and Emotions
