

Year 1 Term Newsletter

Art and Design.

Topic: Houses and homes

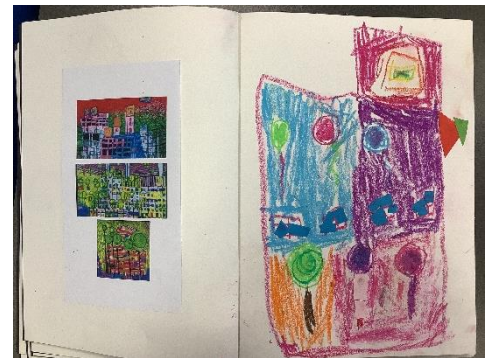

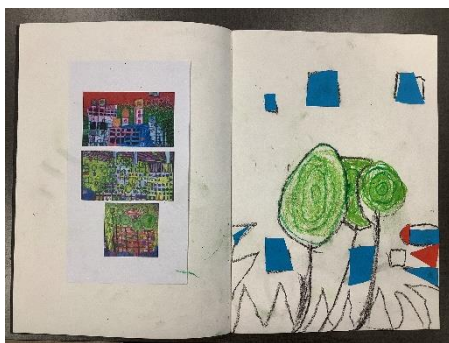

Year 1 have explored the work of two different artists this term. They have looked at some paintings and architecture by the Austrian artist and architect Friedensreich Hundertwasser and they have also looked at the work of American artist Barbara Gilhooly. Year 1 explored the technique of collage and printed with Lego and small pieces of wood on painted pieces of cardboard to create their 3D sculpture of a house or flat in the style of the two different artists.

Design Technology

Topic: Houses and Homes

Year 1 have been focusing on structures in their design technology work this term. They have explored free-standing structures including bridges and buildings. Year 1 have worked with a design brief to design and make a windmill structure. They added weight to the base of their structure to make it more stable and decorated the sails with colours and patterns of their choice.
