Break up for the Summer

English

In English we are going to produce two writing pieces: one to entertain and one to inform.

We will be:

- Using paragraphs to organise ideas;
- Integrating dialogue to advance the action;
- Using brackets, dashes and commas to show

Reading

It is very important that your child is reading at home daily(ideally for 15 minutes).

Children are expected to complete an Accelerated Reader quiz once they have finished reading their book. This is important to check their understanding.

Remember, reading regularly will help your child with their writing too!
