

# Year 6 Autumn Term Newsletter

## Art and Design.

Topic: WWII

Year 6 have learnt about the work of three different war artists: Henry Moore, Paul Nash and John Piper. They experimented with oil pastels in different ways including blending them, creating resist techniques by using an ink wash and oil pastels together and tried layering oil pastels. Year 6 chose their favourite artist from the three they had studied and created a composition based on either Coventry cathedral which was bombed during the Blitz in 1940 or a composition based on images from the current conflict between Russia and Ukraine.

# Design and technology

Topic: WW2

Year 6 have been learning about Make Do And Mend which was introduced by the government during the second world war when clothes were rationed. Year 6 were given a design brief to design and make a teddy bear made from recycled materials. They will finish making their teddy bears early in the Spring Term.
